

## EMPLOYEE OF BANK, ABSENT FOR THREE DAYS, KILLS SELF

"Made Ass of Myself," Former  
Army Lieutenant Had Told  
Visiting Father.

William P. Russell, twenty-eight, an employee of the Bank of Commerce, No. 21 Nassau Street, told his father, Charles S. Russell at the Hotel Bellevue last night that he hadn't been to work in three days. Asked why, he replied: "Oh, it was because I've made an ass of myself."

He went home then to his furnished room at No. 241 West 74th Street, and his landlady, Mrs. Elizabeth Lee, heard a shot in his room. She found Russell partly dressed lying across the bed with a bullet wound in both temples. He died while Dr. L. Sylvester, M.D., of the Hotel Bellevue was working over him.

Russell, whose parents live in Pennsylvania and are said to be wealthy, was a former lieutenant in the army and had been employed in the department devoted to obtaining new business for the bank since January. It was said there to-day that he was a good employee and that his absence from work was attributed to illness.

## HYLAN AGAINST WATER BILL.

Goes to Albany to Oppose Measure  
at Public Hearing.

Mayor Hylan, Aldermanic President La Guardia and Republican Aldermanic Leader Ferrand left for Albany this morning to attend a public hearing on the Knight-Adair water bill, which they will oppose as being against the interests of this city.

It is claimed that the bill permits private water companies to make immediate temporary increases in rates for three years and that it nullifies all previous contracts, grants and franchise conditions existing in the case of the traction bill. It is said to prevent the city from paralyzing the unions of the private companies with city supply pipes.

Talks No. 656

It is so easy to purchase your home furnishings at HOLZWASSER's that often we are at a loss to reason out why it is that people ever take the trouble to go elsewhere—to face much worse. Our contribution to this matter is a purchase based for the most part on what our own customers tell us who have already instituted comparisons at other stores and who are better able to judge even better than we are, as to the convenience of our home credit system. They say that the commodities here are THE MOST ATTRACTIVE IN NEW YORK. Who do you disagree?

Furniture bought now may be held in our warehouse storage free for six months.
